According to Canada Revenue Agency (CRA) guidelines, to issue a charitable tax receipt for in-kind gifts valued at more than \$1000 Odd Squad Productions Society requires official documentation (e.g.) sales receipt or independent appraisal of the fair market value of the donated item. Tax receipts can only be issued when this documentation is on file with Odd Squad Productions. For corporate donations from inventory, please provide an invoice. If documentation is not provided, fair market value will be established by Odd Squad Productions Society. Generally corporate sponsorship does not qualify for a charitable receipt under CRA guidelines with some exceptions. However, upon request OSPS will provide a receipt for invoiced business expenses that fall outside the CRA guidelines for charitable donation status.
