

FINAL ASSESSMENT

FINAL ASSESSMENT-1

You have just finished watching three modules: Understanding Fentanyl; The Impact of Fentanyl and Recovery.

Write a one page reflective summary on what you have learned. You can use the following questions as a guideline.

- **What did you learn?**
- **What surprised you?**
- **What did you find interesting?**
- **What were some challenges you faced going through the modules?**
- **What stood out for you?**

FINAL ASSESSMENT

A large, empty rounded rectangular box with a red border, intended for the final assessment. The box is centered on the page and occupies most of the lower two-thirds of the document. It has a thin red outline and rounded corners.

FINAL ASSESSMENT

What sources do you rely on for information about drugs and their risks?
