

MODULE 2

THE IMPACT OF FENTANYL

Before you go behind to watch the segments in Module 2, complete the first two columns of the table below (What you know and what questions do I have) about Fentanyl. Please ensure that you write at least five points for each column.

What I know

A large, empty rounded rectangular box with a red border, intended for writing notes about what the user already knows about Fentanyl.

What I want to know

A large, empty rounded rectangular box with a red border, intended for writing questions or topics the user wants to learn more about regarding Fentanyl.

What I learned

A large, empty rounded rectangular box with a red border, intended for writing down key takeaways or new information learned from the module.
